Dear Student,

Again this year we have included a listing and a description of several DCGA organizations. In doing so we are trying to make all students aware of the many different ways you can get involved at Denison. The range of activities is quite great and all that is needed is your enthusiastic participation.

Contact one of the leaders of a group in which you are interested and find out what is going on. Many opportunities await your initiative to discover them. No matter how large or small your time commitment, involve yourself.

Sincerely,

Tom Quinn  
President, Denison
